

THE STREETWISE SUBBIE:

Providing the Tools for Success

3rd NOVEMBER

AUCKLAND

4th NOVEMBER

CHRISTCHURCH

The Streetwise Subbie – Commercial Survival for Subcontractors is a practical, implementation-focused training course developed specifically for New Zealand subcontractors across all trades. The course focuses on the real commercial and contractual issues subcontractors encounter on live projects and provides practical tools to help participants manage risk, improve commercial outcomes and protect their entitlement to payment.

ONE-DAY INTENSIVE COURSE IN 5 MODULES!

- Understanding the Contract
- Tendering and Quoting for Work
- Time
- Getting Paid
- The Contract Programme
